

## Royal Pearl Collection Integrated LED Pendant Gun Metal

The Royal pearl collection might just be the single pendants with the highest “cool” factor out there. These pendants are illuminated with bright LEDs, and are on a pulley system which allows the user to lower or raise with ease. Also, each model comes with bottom face plates in black, gun metal and gold so you can mix and match. (You choose the body colour and get all 3 bottom options in the box). Gun metal body model shown. (Comes in gold and matte black as well)
